

## CECU Annual Convention | CPA Seminar

The CECU CPA Seminar will take place on Sunday, June 2, 2019 prior to the kick off of the Annual Convention.

**Date:** Sunday, June 2, 2019

**Time:** 9-4 pm

This seminar is for CPAs working at firms or institutions that conduct financial and compliance audits of private sector colleges and universities and in-house institutional CPAs.

The purpose of this seminar is to provide participants with

1. an update of audit findings under the new Department of Education Audit Guide of Proprietary Schools,
2. an update of regulatory changes affecting participants and their annual compliance audits and annual financial statement audits; and
3. an update on current trends in DOE program reviews and the impact to institutions and their audits.

**Who Should Attend:** CPAs, internal auditors, state auditors, and other practitioners responsible for the audit of federal student aid programs at postsecondary institutions. College business officers and other administrators may also benefit from this program.

**Prerequisites:** There are no prerequisites for this seminar.

**CPE Credit Hours:** 6 hours

**Advance Preparation:** None
