# Join GACE

---

**Georgia Alliance for Career  
Education**

GACE is a subsidiary of the Alliance for Career Education in the States (ACES). All institutions located in the state of Georgia are encouraged to join in support of private career education and state-based advocacy.

GACE will facilitate a sector-led advocacy campaign to directly engage state legislators and regulators on key topics impacting schools and students.

The advocacy work of GACE is tailored to the unique needs of schools in Georgia.

GACE will work to keep government officials in Georgia abreast of the positive impact of proprietary schools in the state and will work with legislative leaders to facilitate in-person visits to their local schools.
